Quote:

*"The irrefutable argument stated:
This verse is so simple it is impossible to get it wrong. An illustrated paraphrase of the text would be:*

-
- "In the beginning was EVE, and EVE was with MAN, and EVE was MAN. SHE was in the beginning with MAN."

Even adopting the Jehovah's Witnesses paraphrase, the New World Translation's, (NWT hereafter) unscholarly insertion of "a god" of the text makes no difference:

-
- "In the beginning was EVE, and EVE was with MAN, and EVE was a MAN.

"

I need to go no further on that website to see that the person owning the page has no idea what the greek says. The above would be correct if [John 1a,b](#) didn't have the definite article, but it does in John's Gospel.

So, if you were to place the definite article in the above sentence it totally changes what the person is saying.

In the beginning was EVE, and EVE was with (the) MAN, and EVE was MAN. SHE was in the beginning with (the)MAN. This is what the persons sentence should have said.

This person obviously has no interest in being scholarly, he/she is only trying to stumble people who already know the truth. You can tell their lack of interest because they don't even include words at are in the greek to try and make their analogy.

I see no reason for going on at that link, if they are going to be ignorant from the start.

Please come to the truth about God the Father and his son Jesus.

So you need to go no further.....and why? Is it because you want to suppress the truth? The only ignorance you claim exists is only on your part, not theirs. So now you know why I ignored this linguistic key site which doesn't even work. I'm back to work see ya!

I need to go no further with that linked site because they aren't even being scholarly from the very beginning. My five year old daughter could see what words the author of that site left out. How pathetic on their part.

Good that you have ordered the book for yourself...but you will only discover that what it said is what I quoted from it which showed you are dead wrong in thinking theos of John1:1c was the subject! It is not.

And before we go to [John 20:28](#) lets clear this thing you have with [Luke 12:24](#). I will have to ask again then:

ONE: *Why is it you can not bring yourself to say what The Linguistic Key, that scholarly publication I quoted you, said which is the predicate noun of [John 1:1c](#)? (It is not a "Watchtower" publication!)*

TWO: *And why is it that you refuse to admit that theos of [John 1:1c](#) does not have the article while in your scripture of [Luke 12:24](#) theos does and this shows that your [Luke 12:24](#) is no parallel to that of [John 1:1c](#)?*

Katie, I have to go back to work now. I don't have extra time or energy to follow your theology and way of thinking. See ya! 🙏

And He will reign as king and act wisely
And do justice and righteousness in the land.

These are just a few reasons I have rejected WTBS doctrine. I believe Jesus is God. Theos is also the equivalent of YHWH in the NT. Jesus cannot be YHWH unless They possess the same substance, and this is a mystery. ([1 Timothy 3:16](#))

Ken

[1 Timothy 3:16](#) does not state that God is a mystery. And Theos is not the equivalent of YHWH, it is the equivalent of elohim. And YHWH our righteousness is a title given to him. Many things are given a title which includes the tetragrammaton. Doesn't make them equal to or God ([Genesis 22:14](#)).

Why? Because the Son is the only Being whom righteous angels lawfully can worship, namely, GOD. That's why! The name the Son has is the same name His Father has, the name above all names, the name of Yahweh.

The Watchtower is not the instrument of any man or any set of men, nor is it published according to the whims of men. No man's opinion is expressed in The Watchtower. (The Watchtower, 1931 November 1 p.327) If you believe that, you'll believe ANYTHING!

Name here is referring to authority. He is not given the name of Yahweh (literally). (BTW, if the angels can only worship lawfully the being God, then they cannot rightfully worship Jesus who is only one of the persons God, right?)

Exactly! Jesus, being as He is GOD, has all of the authority of Yahweh (God's name, which among other things, represents God's authority). That is exactly what the author of Hebrews is saying.

Wrong. Each of the Divine Persons is GOD. Worshipping the Father is worshipping GOD. Worshipping the Son is worshipping GOD. Worshipping the Holy Spirt is worshipping GOD. Worshipping anyone else is idolatry and blasphemy. God did not order the angels to commit idolatry and blasphemy.

Are you saying that God gave Himself all authority?

Worshipping each person individually would not be worshipping God (the being), which is who the angels worship.

No. The Father gave the Son all authority. GOD's authority, that is. And it's not me saying it, it's the Bible. The Father has always been giving the Son all authority. He delights to do so.

Yes, of course it would be, and is! That's why the Bible says to honor the Son exactly as we honor the Father.

be saying "not my will but your will" jesus showed that he and his father are 2 seperate

beings. jerimiah 23:6 is a statment "**jehovah is righteousness**"

the bible often does this rev 19:16 prov 21:24

he didnt have to raise up himself and his name was already jehovah.

ps 83:18

500 billion years and still burning"think about that"

This would mean that either the Son is not God, or the Son is inferior to the Father (hence cannot be as much God as the Father is God), since the Father has to give him this authority (even though it pleases the Father to do so).

No it isn't. How can the angels worship a being through just one of the 'persons' of God, all the while the scriptures are telling us to "worship God". If that is the case, we never worship God (unless you are Oneness Penecostal) because (according to Trinitarianism) Jesus is not God (the Being) by himself, nor is the

Father God (the Being) alone, nor the 'Holy Spirit' (God the Being). (BTW, to honor the Son as the Father does not mean to worship the Son as we do the Father. And why is it that we are not told to honor the holy spirit as we do the Father and the Son?)

Misquoted....[Jeremiah 23:5-6](#) says Jesus is called "Jehovah is **Our** Righteousness" in your NWT Bible. This name was given directly to Jesus, they are not naming the Father, Pat. Can you think of a better name than that and all the others given to one person other than the Father? If He had all those names just like the Father, how many others in the Bible do you think have all of those names in one person along with the Almighty One?
